Forecast For East Midlands
Issued by Met Office Exeter
at 0400 on Wednesday 17 Mar 2021

++ Valid for broadcast between 0600 and 1800

Headline:
A cloudier day with some showers. Breezy and feeling cool.

Today:
It will be a dry and bright start, with some sunny spells. However, it will turn cloudier from the northeast, with some showers during the afternoon. These should mostly clear by the evening. Breezy and feeling cool, especially on coast. Maximum temperature 11 deg C (52 deg F).

Tonight:
Generally a rather cloudy night, although it should stay largely dry. Perhaps some drizzle along the east coast. It should stay frost-free. Minimum temperature 4 deg C (39 deg F).

Thursday:
Cloudy and cool with some outbreaks of rain in the east during the day. Drier, brighter and milder in the west. Rain will spread westwards later in the day. Maximum temperature 13 deg C (55 deg F).

Outlook for Friday to Sunday:
Early cloud and rain clearing to leave drier and brighter conditions on Friday. Remaining quite cloudy over the weekend, with some brighter intervals. Feeling cool underneath the cloud.
